Privacy Policy

Cabinet Saint Guillaume built the Cabinet Saint Guillaume app for private use within the Cabinet Saint Guillaume company. This app is intended for internal use and is provided as is.

This policy outlines how we handle and protect any personal information collected within the app.

Information Collection and Use

The Cabinet Saint Guillaume app may collect the name and surname of users for the purpose of providing personalized services within the app. This information is used solely within the app and is not shared with any third parties.

External Website Link

The Cabinet Saint Guillaume app may contain a link to an external website, https://www.cabinet-dentaire-saint-guillaume.fr/. Please note that once you click on this link, you will be directed to the external website, and this privacy policy will no longer apply. We recommend reviewing the privacy policy of the external website for information on their data handling practices.

Cookies and Log Data

The Cabinet Saint Guillaume app does not use cookies or collect any log data. It does not track any user activity or gather any analytics.

Firestore

The Cabinet Saint Guillaume app utilizes Firestore, a database service provided by Google, to store and manage app data. The information stored in Firestore is used solely for the purpose of app functionality and is not shared with any third parties.

Security

We take reasonable measures to ensure the security and protection of any data transmitted or stored within the Cabinet Saint Guillaume app. However, please be aware that no method of transmission over the internet or electronic storage is 100% secure and reliable.

Changes to This Privacy Policy

Any changes to this privacy policy will be communicated through app updates. Please review the privacy policy periodically for any updates.

Contact Us

If you have any questions or concerns regarding this privacy policy or the use of the Cabinet Saint Guillaume app, please contact us at https://www.cabinet-dentaire-saint-guillaume.fr/contact/.
